Financial responsibilities of parents: Parents agree to make timely tuition payments. It is also important that parents commit to the annual giving, fundraisers, and capital campaigns. Contributions to the annual school fund and fundraisers are mandatory, they are crucial for an independent school. It costs the school thousands of dollars more than we charge in tuition to maintain a facility, general expenses, and payroll and to educate each child. Therefore we are absolutely dependent upon the generosity of parents and patrons to make up that difference. Please be respectful and responsive when you are called upon. The **average** CENTRAL SCHOOL PARENT GIFT IS **\$400 PER FAMILY** and includes but not limited to annual Bazaar and auction responsibilities as set forth by the Central School Board of Directors.
